Operation Santa

Ocoee, Florida – The City of Ocoee will be hosting its 11th Annual Operation Santa event on December 7, 8, 13, 15 and 16.

Santa Claus, along with his helpers, will be driving around the City in a float that resembles a huge ship. The float, designed by the Parks and Recreation Department, will bring some Christmas spirit to the community. In addition to the float, there will be a toy collection box on the float for the "Holiday Toys for Kids in Need" program for citizens who would like to donate toys.

The Fire Department, with the help of Utilities, Police, Parks and Recreation and Public Works Departments has organized this event for 11 successful years. Operation Santa will spread holiday cheer to 60 locations. For more information, visit www.ocoee.org.
