Tennis Courts Renovations

Ocoee, Florida – Residents who play tennis can play longer now, thanks to new tennis court lights. The City of Ocoee Parks and Recreation Department has recently completed tennis court renovations at these parks:

Tiger Minor Park – three lighted courts

401 Geneva Street

Vignetti Park – two lighted courts

1910 Adair Street

Parkside/Coventry Park – one new tennis court (no lights)

2730 Coventry Lane

All tennis courts are hard surfaced

The new lights will allow players to practice their forehands and backhands until 10:00pm. Residents are invited to come out and enjoy the new facilities. For those wanting to take up the sport, tennis lessons are available at Tiger Minor Park.

For more information, contact the Parks and Recreation Department at 407-877-5803.
