Rain Barrel Workshop on January 29

A resident paints colorful sunflowers on her rain barrel, which is used to collect rain water for flower beds and irrigation.

Ocoee, Florida – The City of Ocoee's Utilities Department will be hosting a Rain Barrel Workshop on Saturday, January 29, from 9:00 a.m. – 12:00 p.m., at the Community Center, 125 North Lakeshore Drive. Residents should pre-register for the free workshop by calling 407-905-3159.

Rain Barrel Workshop

The seminar will give residents an opportunity to learn about important water conservation issues while decorating their very own rain barrel. The barrels are provided to workshop participants at no cost (must be an Ocoee resident). The barrels are refurbished food-grade drums previously used to ship food products only.

For more information, contact the Utilities Department at 407 905-3159.
