The City of Ocoee Residential Pool Permit must include the following:

- Directional flow arrows acknowledging lot drainage coordination with new structure.
- Final pool inspections will include a lot drainage inspection. This will be required prior to issuing a Certificate of Completion. Please call the Ocoee Engineering Inspection Line at (407) 905-3100, then press 3, then 2 to schedule an inspection.

If you have any questions, please call (407) 905-3100 ext. 9-1505.
