Dear Resident:

To ensure your trash collection continues to run smoothly, we're sending a friendly reminder about when to place your trash cart and recycling bins out for pick up.

- City Ordinance #143-27 states that your garbage cart and recycling bins should not be placed curbside earlier than 5:00 P.M. the day before your collection, and should be removed no later than 7:00 P.M. on your collection day.
- Garbage cart and recycling bins should be stored in the side or rear yard and screened from view.
- Garbage carts and recycling bins are not to be stored in the front of the premises.

We ask for your cooperation to better assist us in providing you with the best service possible. Please feel free to phone my office if you have any questions.

We look forward to bringing you improvements in our recycling program soon.

Sincerely,

Bill Simmons
