

PETITION FOR INSTALLING TRAFFIC CALMING DEVICES

City of Ocoee
Public Works Department

_____ has submitted an Application For Traffic Calming on _____ to combat speeding and/or cut-through traffic. A study conducted by the City of Ocoee has determined that the proposed speed tables meet the requirements for installation. Therefore, to determine the community's opinion both **for** and **against** the proposed speed tables, each **owner(s) of the record** is requested to participate in the petition process by signing this petition in accordance with the petition instructions.

INSTRUCTIONS

It shall be the responsibility of the requester to conduct the petition in accordance with the following criteria:

1. The content and intent of this petition shall be fully disclosed to the participants by person(s) conducting the petition drive.
2. Only the owner(s) of the dwellings can participate. Renters, non-owner members of the family, guests, etc. are not allowed to participate. It shall be the responsibility of the person(s) conducting the petition drive to verify the identity of person(s) participating.
3. 67% approval from owners of dwellings with driveways directly connected to the affected street is required.
4. Only one vote per household. If a dwelling is owned by 2 or more persons, they all must sign the petition. Signature of multiple owners with opposing views will be disregarded.
5. It is the responsibility of the petitioner to collect all signatures and deliver the petition to the City of Ocoee's Public Works Department within 30 days after receipt of the Petition request.
6. It is not mandatory to sign the petition. To participate, enter street address, names of all owners, sign either For or Against, and provide a daytime phone number. Signing under both For and Against will void the entry.
