OCOEE POLICE DEPARTMENT
CASE NUMBER - # 2010-00043599

At 10:22pm, Ocoee Police responded to a report of methamphetamines being cooked in a private residence located at 1221 Sand Pine Ave. Upon arrival Officers found evidence of the active production of methamphetamines. The West Orange Narcotics Task Force responded and served a search warrant that resulted in the arrest of resident Keri Waldrop (W/F 05/26/1979) for trafficking and production of Methamphetamine. Further charges are possible against other residents of this home.

Due to the hazardous nature of the chemicals used in the production of methamphetamines Fire Departments and Haz –Mat teams from The City of Ocoee and Orange County responded.
