International Walk to School Day

FOR IMMEDIATE RELEASE

Date: August 24, 2010
Contact: Sergeant Bill Wagner
Phone #: 407-905-3160, ext. 93319

OCOEE POLICE DEPARTMENT

DATE AND TIME: October 6th, 2010

LOCATION: Spring Lake Elementary 115 Spring Lake Circle, Ocoee and Citrus Elementary School 87 N. Clarke Road, Ocoee

The Ocoee Police Department is proud to announce its participation in the International Walk to School Day, to be held on October 6th, 2010. This year we will be partnering with Spring Lake Elementary and Citrus Elementary schools to encourage students to walk or bike to school.

The Ocoee Police Department believes walking/biking to school promotes health, safety and the environment. We encourage parents to celebrate this day by walking with their child to school.

The Ocoee Police Department will be on hand at both locations identifying safety concerns, educating students and parents, and rewarding students who practice safe behaviors with stickers and coloring books. The Ocoee Police Department will provide bicycle helmets to those children in need of a helmet, while supplies last. Bicycle registration will be held at Spring Lake Elementary on this day.

The Ocoee Police Department firmly believes that community events such as this one are wonderful ways to positively influence community growth, communication, and most importantly safety.

The Ocoee Police Department does bicycle registration Monday Thru Friday 8:00 am to 5:00 pm.

For more information, please contact the Ocoee Police Traffic Enforcement Unit, Sergeant Bill Wagner at
