OCOEE POLICE DEPARTMENT
CASE NUMBER - NUMEROUS

The Ocoee Police Department has recently experienced several incidents at elementary schools in Ocoee, in which suspects entered during school hours and made their way to areas where they located purses and stole personal identifications and credit cards which were later used at area stores. This information was shared among law enforcement and within Orange County Public Schools.

Today the suspects were sighted at Westbrooke and Thornebrooke Elementary Schools in Ocoee where they previously struck. Alert Thornebrooke staff quickly notified police who stopped the suspects. Evidence was present linking the suspects to numerous thefts from the schools in Ocoee and possibly other jurisdictions, and the subsequent felony fraud crimes. One of the suspects, Ziedra Domine Jenkins is the suspect who was recently charged in similar thefts in which she entered hospitals in neighboring jurisdictions posing as a nurse. Jenkins has active warrants for theft and fraud crimes including no bond for Violation of Probation in Orange County, and bonds totaling \$160,000 on warrants for felony theft and fraud crimes from Volusia and Brevard Counties. Jenkins will now also be charged with committing the same crimes at Health Central Hospital in Ocoee in August. These suspects appear to have been engaging in an ongoing enterprise involving theft, identity theft, and schemes to defraud. The investigation is continuing, and Ocoee Police investigators will be contacting investigators from other jurisdictions who may be investigating similar crimes involving these suspects. The Ocoee Police Department wishes to thank the staff at Thornebrooke and Westbrooke Elementary Schools for their alertness and quickly notifying police upon seeing these suspects on their campuses.
