

**FIFTY
WEST**

**City of Ocoee
To Start
Clarke Road Median Refresh**

Continuing in our efforts to “Green Up” Fifty West, the City of Ocoee’s Community Redevelopment Agency (CRA) will start re-landscaping the medians on Clarke Road between State Road 50 and Matthew Paris Blvd. Work will begin the week of October 7, 2019, and is expected to wrap up by October 17, 2019, weather permitting. All through lanes will remain open during construction; however, the inside southbound left through lane and turn lane will be closed. Construction hours are anticipated to be between 7:30 a.m. and 3:30 p.m., weekdays. Accommodations will be made for peak hour traffic.

The project will include the planting of new palms, crape myrtles, shrubs, and ground cover. Irrigation will be upgraded and a fresh layer of mulch will finish up the refresh of the medians.

The CRA has more plans to beautify its redevelopment district, “Fifty West”, which is defined as the area between SR 429 and Clarke Road, and the Turnpike on the south, north to Story Road. If you have any questions regarding the Old Winter Garden Road Median Landscape Project or about Fifty West, please contact the Ocoee CRA.
