Planning
Not Approved - Mike Rumer, Mon, Dec 19, 2022 at 8:03pm

- 1. 1. Please provide a reason for the drastic change to the approved plans. What is happening to go back to the 2018 plan.
 - 2. A minimum 15 foot landscape buffer is required along SR 50. This buffer has to be 15 clear of items that will prohibit plantings such as utility lines and public electric, phone or cable lines. If a 15 foot area cannot be established, additional buffer area is required.
 - 3. Please provide a proposed building elevation.
 - 4. How deep are the parking lot spaces? 18 foot or 20 feet?
