CELLPHONES & ELECTRONIC DEVICES

No cell phones will be permitted at camp or on field trips. Camper can use office phone in any emergency as was done in the past, prior to cell phones. Parent (in an emergency only) can call the office to leave message for child. We appreciate that most families will honor our request and support our reasoning for not bringing cell phones to camp. We ask for your support and consideration of ALL camp children and respect other families as they help foster their child's independence.

We maintain a policy restricting the use of iPads, tablets, and gaming system devices at camp. Due to the capability of such devices to access the internet, download, and store, in a private manner, easily available sexually explicit, degrading, foul, and vulgar content, they are inappropriate for use at camp. In addition, it is our aim to promote activities, whether formally planned, informal, or spontaneous during free time, that are inclusive and group oriented rather than exclusionary for private personal use or benefit.

PHOTOGRAPHS

Staff may take photographs of program participants to use with program files, City Presentations, promotions of City programs, and similar purposes. 2022 SUMMER CAMP

DISCIPLINE POLICY

The Parks and Recreation program staff members are trained to handle typical juvenile issues. Staff members are not, however, trained to handle participants with excessive behavior problems. If a child demonstrates excessive behavior problems, he/she will be evaluated to determine whether the program is appropriate for the child. The parent/guardian of the child will be notified if the child is no longer eligible for the Before & After School Programs, Summer Camp, or Holiday Camp.

Participants of programs offered by the Ocoee Parks and Recreation Department have the responsibility to participate in activities in a safe and respectful manner at all times. Participants are expected to:

1. Treat others with dignity and respect;
2. Treat City property and the property of others with respect;
3. Listen courteously and respect the opinions and points of view of other;
4. Respect the rights and privacy of others;
5. Not interfere, impede, limit, or restrict the recreational opportunity of other participants;
6. Comply with all instructions and directions of program staff;
7. Truthfully answer all questions posed by program staff;
8. Have in their possession only those items allowed at the program;
9. Report threats to do harm to an adult in authority;
10. Report hazardous or dangerous situation to an adult in authority;
11. Follow the rules and regulations of Parks and Recreation Department.

Level I Offenses

Level I offenses are minor acts of misconduct that interfere with the orderly operation of an activity, transportation and the program overall. The program staff will intervene in the misconduct and depending upon the severity of the infraction, the staff may refer the participant to the Recreation Leader or Manager for disciplinary action.

Level II Offenses

Level II offenses are more serious or disruptive examples of Level I offenses. Acts of misconduct in Level II include repeated acts of misconduct from level I, acts directed against participants and/or employees or personal property, and acts that may endanger the health or safety of others. Misconduct at this level will be reported to the Recreation Leader immediately and/or to the Recreation Operations Manager, who will investigate the situation and decide on the appropriate disciplinary action.

Disciplinary action includes but not limited to time out from activity, staff and parent conference, suspension, and removal from program. Parents are welcomed to talk to a Recreation Leader or the Operations Manager about any discipline action.

2022 SUMMER CAMP

PICK-UP & DROP-OFF PROCEDURES

Children attending the Summer Camp Program will be signed in and out each day by a staff member along with the parent or authorized adult. Camp pick up and drop off procedures will be amended. For arrival, staff will meet the campers in their vehicle out-side, screen the child(ren) through the stopped vehicle's window and permit those that pass the screening entry to camp. Camp pick up procedures will be amended to copy school procedures. Parents/ guardians will be given a placard for their car with their child(ren)'s name . Staff will identify parents/guardians via photo documentation or password and then permit the child(ren) to enter the vehicle. If picking up early, call ahead to inform staff. Campers are not able to return to camp once signed out. This is important as it is the Parks and Recreation Department's legal record of the time the child/children were in attendance at the program.

It is the policy of the City to release the child/children to either parent or legal guardian or whoever they authorize to pick up the child/children.

Children will only be released to the individuals that are listed on the Program Permission Pickup Form on file with the department. Parents or legal guardians must list everyone, including themselves, having their authorization to pick up their child/ children at the program on the Program Permission Pickup Form. The program staff will not release the child/ children to individuals not listed on this form. If a parent or legal guardian wishes to add an individual to the list they must do in person. The program staff will not accept names from phone calls or faxes. When the parent or authorized adult arrives to pick up the child/children, identification with a photo must be presented to the program staff, upon request. Any issues related to the child/children will be told to whoever picks up the child/children on that day, and any information handed out related to the program will be given to whoever picks up the child/ children on that day. It shall be the responsibility of the parent/guardian to determine a method of receiving and sharing this information. Any information mailed from the Parks and Recreation Department will be mailed to the individual that is listed as financially responsible for the child's/children's registration.

Parents or guardians that are separated or divorced will need to provide documentation acceptable to the City if there are any restrictions regarding their child/children. Without acceptable documentation, staff will be required to release the child/children to either parent or legal guardian or whoever they authorize to pick up the child/children. Any issues related to the child/children will be told to whoever picks up the child/ children on that day and separated or divorced parents/guardians will need to determine a method of sharing this information.

The Parks and Recreation Department reserves the right to take any action it deems necessary to maintain the integrity of the program. Parents or guardians that do not comply with this policy may have their child/children barred from attending the program.
